

Date: 7 July 2025

To Whom It May Concern,

Through this document, we formally authorize the company GASCAT Indústria e Comércio Ltda. as the Applicant/Responsible Party to submit gas flow meters manufactured by Flow Meter Group B.V. (FMG) for approval by Inmetro/DIMEL, in accordance with the requirements established in Annex I of Inmetro Ordinance No. 156, dated April 21, 2022.

We acknowledge the competence and expertise of GASCAT and express our full confidence in their ability to carry out all necessary procedures to ensure the compliance of FMG flow meters with Brazilian legal metrological regulations.

By issuing this authorization, we demonstrate our commitment to supporting the compliance of our products with international standards and recognize GASCAT as our trusted representative for regulatory matters in Brazil. We believe that this collaboration will contribute to the continued success of FMG products in the Brazilian market.

We remain available to provide any additional information or technical documentation that GASCAT may require during the approval process before Inmetro/DIMEL. We also reaffirm our dedication to transparent and efficient communication in all stages of this project.

We look forward to a continued and successful partnership with GASCAT.

Sincerely,

Flow Meter Group B.V.
